

CORN PRODUCT DATA

STINE® 9105-10 BRAND

Stine 9105-10 brand corn offers two herbicide modes of action for ultimate in-season weed control. This line also features excellent protection against yield-robbing pests, such as European and southwestern corn borer. 9105-10 has very good roots and stalks for season-long standability with very good emergence and early-season vigor. It is broadly adaptive across yield environments and performs best at higher planting populations.
